On Dec. 8, 2018 a prophetic word came forth at River of Life Ministries through Pastor Krista Hampton. The word was transcribed and released to our congregation. We believe the prophecy is speaking of current events taking place so we are sharing the word publicly. We pray it will bring peace and encouragement to your spirit.

"I hear the spirit of the Lord saying that the hour is coming and now is. That there is a great shaking taking place. But do not fear, do not be afraid. For I say I go before you and I protect those which belong to me. And I say I have marked you and I have bought you and you are covered by my blood. And I say you are protected on every side. And I say unto thee again though a thousand may fall at one side and ten thousand on the other it shall come nigh unto you it shall not. And I would say unto thee do not fear, do not be afraid of the pestilence that will fly by night, do not be afraid, do not fear of what is coming in the days ahead I say unto thee do not fear, do not be afraid for I am your firm foundation. I will withhold you and I would say out of this the Lord said that there are many things, there is turmoil; the Lord said there is turmoil in the atmosphere. And there's a raging taking place, but the Lord said though it may fall and though it may come and it may look like catastrophic events and there will be those that great fear will fall upon the land because of the things that are going to take place. But the Lord said I would say unto thee, do not fear. I have not given thee a spirit of Fear. I say unto thee again that as the days come ahead and as you walk into this new year; I would remind you again that I have not given you a spirit of fear, but of power, love and a sound mind. Do not be afraid for I need you to be focused saith the Lord. Do not be afraid I say, set your eyes on me, set your eyes

on me, I am your help. I say unto thee again set your eyes on the hills where your help cometh from. Your help cometh from the Lord the maker of heaven and earth. Do not fear saith the Lord! For whatever shall come, shall come. But I say unto thee; I am with thee, I am for thee, I have marked thee, I have bought thee with a price. And I will raise thee up in this hour saith the Lord and my church shall shine like a great light in the darkness. And I say unto thee that judgment is coming upon the land, but I say unto thee that I have awakened my bride for this hour. I have awakened my bride to arise in this hour and I say you will be a beacon of light. You will be voice of hope the Lord said. I have put healing in your hands and peace in your wings. And you will walk in my peace. You will not be in fear, you will not be in anxiety I say unto thee that you will have perfect peace. The perfect peace of the Lord will be upon you and the Lord said even when you see financial crisis coming upon the land I say unto thee that I will protect you supernaturally. For the Lord says that my body, my people have been obedient to my word. You have tithed and you have given and you have sown. And I would say unto thee that you have stored up in the store house so that when the land, the time of famine comes there will be plenty in my house saith the Lord. Famine shall not come to the house of the Lord though it will wreak havoc across the land I say unto thee that I will watch over thee, I will protect thee, I will provide for thee. you will want for Nothing saith the Lord. And in that hour what you have stored up will be a storehouse for those that are coming in. As I did in the days of Joseph in the Land of Egypt so shall I do again. I say unto thee that I am raising up in this hour modern day Joseph's that are storehouses. You are storehouse of hope. You are a storehouse of salvation in me. You are a storehouse of my Goodness. You are a storehouse of my mercy. You are a storehouse of Deliverance and I say they are coming, they are coming, they are coming, they are coming, they are coming and they are bound and they

are sick and they are weary and they are famished and they are weary on the battlefield, but I am bringing them to the storehouse saith the Lord. And they will find, they will find food in my house. They will find food in my house. So be not afraid, do not fear for I am with thee. And I will raise thee up in this hour. And mighty shall my name be in the earth again saith the Lord. Mighty shall my name be. And as in the days of Elijah, I will show my power in a great and mighty way. And the prophets of Baal, and the prophets of Baal of this nation will come down. I will cut their heads off as in the days of Elijah and the people will cry again. The God of Israel, He is God. He and He alone. And His son Yeshua is the only way. The way, the truth and the life and except through Him there is no other. And so I say unto thee again fear not my children, fear not. For I am with thee and you shall walk into a land you have never walked before. A land of my fullness. A land of Promise. Where you have read of, you have hoped of and you have prayed for. But I say unto thee, the hour is coming. You have wandered in the wilderness long enough saith the Lord. And I am bringing you in to the fullness. I am awakening you with an awakening from heaven. And you will walk in the places that I have called you to walk. And you will operate in the fullness of my power. And a last day harvest will come saith the Lord. And in that harvest will be your children and your grandchildren and your neighbors and your parents and your brothers and your sisters and your co-workers. In that harvest will be; presidents and kings and governors and those seated in high places. The Lord said I will show myself mighty throughout this nation. And they will call upon me again as they did in their early days. As this nation called on me in its birthing stages the Lord said, so shall they call on me again.”
